PROVIDER OF OCCUPATIONAL SERVICES AND SURFACE SAFETY SOLUTIONS

Z-tech Solutions Inc. specializes in surface safety management. The company offers surface safety products and services that reduce workplace injuries and lost time due to incidents. Z-tech offers education, onsite assessments, as well as, product solutions to reduce muscular, skeletal conditions and slip and fall injuries in the workplace. Z-tech Solutions has expert staff and access to a variety of suppliers providing; matting solutions, coatings, PVC flooring products, rubber products, and fiberglass reinforced plastic (FRP). Z-tech Solutions continues to focus on keeping all working surfaces safe.

Z-tech Solutions continues to seek products that are eco-friendly or recycled material. Our products comply with Canadian Food Inspection Agency (CFIA), International Play Equipment Manufacturer's Association (IPEMA), ISO 9001-2000, as well as, the Occupational Health and Safety (OH&S) legislation and regulations. Z-tech services include qualified ergonomic assessments, drug and alcohol testing, surface safety assessments, on-site deliveries, and applications.

Here is just a few clients we have worked with or sold product to; Town of Balgonie, RCMP, Canadian Tire, Akzo-Nobel, Harvard Property Developments, NAI- Denro, Co-op Refinery, Cameco, Regina Qu'Appelle Health Authority, Saskatoon Health Authority, MacDonald's Restaurant, Sheraton Hotel Saskatoon, Regina Housing Authority, SaskTel, and Blood Services Inc.

If you have a surface that is slippery like a ramp, entrance, walkway or stairs. If you are looking for a surface like rubberized flooring for a recreational center or a nonslip solution for a pool region contact us. If your ladders or stairs are slippery we have molded fiberglass grating for an industrial setting or industrial anti-fatigue mat for workstations. If you are looking for non-slip mats in a commercial kitchen setting then call Z-tech Solutions Inc. or email us. 306-205-2098 or [sales@z-techsolutions.com](mailto:sales@z-techsolutions.com)
